We work with members of the Legislature, to advocate for preventing cuts in Medicare and Medicaid reimbursements.
- **Education-** With all of this advocacy activity, we have not neglected our members' need for continuing education. Our philosophy with respect to continuing education is to provide state-approved high quality continuing education that will allow you to serve your staff and the residents of your facility.
- **LeadingAge National-** Our National organization, LeadingAge, offers a number of highly important member services, group purchasing, national advocacy, informed industry updates, the ability to shape the future of aging services.
- **Networking-** Our association allows you to network with our peers, share innovations and ideas for our industry challenges

The LeadingAge Nebraska state dues are based on bed/unit count. LeadingAge Nebraska members are automatically LeadingAge members, and while the dues to LeadingAge are computed differently
